Date:30/10/2025

TO WHOM IT MAY CONCERN

This is to certify that **Ms. Mihika Raut** has successfully completed her **12-week internship** in the **Full Stack Web Development** domain from **June 1, 2025 to August 23, 2025**.

During the internship, she received hands-on training in **React.js, Node.js, MongoDB, Express.js, and Bootstrap**, focusing on developing dynamic and responsive web applications using the MERN stack.
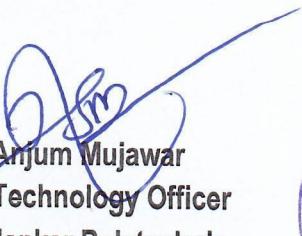

As part of her practical learning, Mihika worked on a live project titled **"The VP CIAAN Management System"**—an innovative web portal designed to streamline curriculum implementation and assessment processes for faculty and students.

Her major contributions included:

- Designing and enhancing the CIAAN front page and timetable interface

- Implementing features for attendance and extra theory session management

- Creating a structured defaulters tracking module

- Improving course and chapter management features

- Resolving issues in the timetable module and optimizing overall functionality

Mihika has shown strong technical understanding, problem-solving ability, and a proactive learning attitude. Her contribution to the live project reflected both creativity and technical proficiency.

We sincerely appreciate Mihika's dedication and professionalism during the internship and wish her continued success in her career.
